6/9/03 A01-03-036 San Diego Gas & Electric Company, for a Certificate of Public Convenience and Necessity for the Valley-Rainbow 500 KV Interconnect Project.

Summary: On June 4, 2003, Osa Armi, an attorney for Save Southwest Riverside County (SSRC), participated in an all-party meeting with Cmmr. Kennedy in San Francisoc. Also present were Tim Sullivan, advisor to Cmmr. Kennedy, representatives of the Office of Ratepayer Advocates, Ron Roberts, a current member of the Temecula City Council, Tilden Kim, an attorney for the City of Temecula, Don Clary, an attorney for the Pechanga Development Corporation, as well as representatives of the Sierra Club, Greenpeace, San Diego Gas & Electric Company's (SDG&E), the California Independent System Operator (CAISO). Written materials (attached to the notice) were used. Armi urged the Commission to vote to adopt the ALJ's draft decision denying SDG&E's petition for modification, rather than Cmmr. Peevey's alternate. Clary explained the history of SDG&E's involvement in proceedings before the Bureau of Indian Affairs in order to block the Pechanga's fee to trust application for the Great Oak Ranch. Clary explained that the Great Oak Ranch has now been taken into trust and that, as a result, none of the routes proposed by SDG&E are viable. Roberts and Kim concurred that the Commission should not reopen SDG&E's application. Roberts explained that this is an issue of extreme concern to the people of Temecula. Kim explained that continuing on with this proceeding in the absence of any viable routes would violate the Commission's own rules of procedure and result in due process problems.

6/12/03 R01-10-024 Order Instituting Rulemaking to Establish Policies and Cost Recovery Mechanisms for Generation Procurement and Renewable Resource Development.

Summary: On June 9, 2003, Lad Lorenz, Electric and Gas Procurement Vice President, San Diego Gas & Electric Company (SDG&E), met with Cmmrs. Brown and Wood in an all-party meeting in San Francisco. Also present were David Gamson, advisor to Cmmr. Brown, Steven Weissman, advisor to Cmmr. Wood, and other attendees listed on the attachment to the notice. Lorenz stated that SDG&E supports the proposed decision (PD), which incorporates most of the joint principles developed by SDG&E and The Utility Reform Network. Lorenz specifically indicated that SDG&E supported that PD's recommendations with respect to contract terms, unlimited forward banking of excess procurement, and adoption of the ISO's Amendment 42 and indicated that SDG&E was encouraged by the PD's recommendation for adoption of a REC-based accounting system. Lorenz also indicated that SDG&E disagreed with the PD's

recommendations related to the treatment of energy and capacity in the market price referents and as part of least cost, best fit evaluation. Lorenz recommended that bidders should identify both capacity and energy costs, and that a project's total costs should be considered in the bid ranking. Lastly, Lorenz indicated SDG&E's support for the Commission's renewable portfolio program.

Summary: On June 9, 2003, Lad Lorenz, Electric and Gas Procurement Vice President, San Diego Gas & Electric Company (SDG&E), met with Cmmrs. Brown and Wood in an all-party meeting in San Francisco. Also present were David Gamson, advisor to Cmmr. Brown, Steven Weissman, advisor to Cmmr. Wood, Kevin Coughlan, advisor to Cmmr. Peevey, Brian Prusnek, advisor to Cmmr. Kennedy, and other attendees listed on the attachment to the notice. Lorenz stated that all three pending draft decisions would impose hindsight reasonableness reviews. Lorenz explained that while a 'disallowance cap' mitigates to some extent the impact of a reasonableness review, SDG&E believes that the Commission must eliminate reasonableness reviews for conduct consistent with the utilities' annual procurement plans. Lorenz stated that if the Commission continues to conduct reasonableness reviews subject to a disallowance cap, then among the three pending drafts the revised Peevey alternate is preferable, but it should be modified to apply to all procurement activities consistent with the adopted annual procurement plans. Lorenz noted that the Commission would still retain ample opportunities to review utility procurement conduct.

Summary: AUGMENTATION REQUIRED. On June 9, 2003, William Stock, Chief, Regulatory Relations, Pacific Gas and Electric Company (PG&E), met with Cmmr. Brown in an all-party meeting in San Francisco. Also present was David Gamson, advisor to Cmmr. Brown. Stock noted that there were significant issues that needed to be corrected in the proposed decision, including: avoiding pre-investment grade annual procurement targets; providing for greater flexibility in deficit banking; avoiding predetermined penalties; and not setting 10 years as the minimum contracting period.

Summary: AUGMENTATION REQUIRED. On June 9, 2003, William Stock, Chief, Regulatory Relations, Pacific Gas and Electric Company (PG&E), met with Cmmr. Cmmr. Brown in an all-party meeting in San Francisco. Also present was David Gamson, advisor to Cmmr. Brown. Stock reviewed the statutory framework created by AB 57 and noted that the statute requires procurement plans approved by the Commission to eliminate the need for after-the-fact reasonableness reviews of an electrical corporation's actions which are in compliance with such approved plans.

Stock stated that the various draft decisions would expose PG&E to risks of procurement reasonableness review. Stock requested that the Commission adopt an annual disallowance cap for PG&E of \$36 million, eliminate Standard of Conduct 6 and 7, and reaffirm the broad scope for the annual disallowance cap to cover all procurement-related activities.

6/12/03 A03-05-017 Pacific Bell Telephone Company, for authority pursuant to Public Utilities Code Section 851 to lease space to SNET Diversified Group, Inc.

Summary: On June 9, 2003, Caroline N. Mitchell, attorney for Pacific Bell Telephone Company (SBC), spoke by telephone with ALJ Bemenderfer. Also participating in the communication was Jones Day, attorney for SBC. Mitchell stated that, out of an abundance of caution, SBC filed this application seeking authority to lease vacant office space to its affiliate. Mitchell explained that SBC was trying to understand where the Commission drew the line between requiring a Section 851 application and allowing a party to proceed pursuant to General Order 69-C without the need for an 851 application. Mitchell advised the Commission that SBC would withdraw the application.
